JANELIA LAB HEADS

Janelia Research Campus is looking for independent, hands-on scientists to direct small teams on high-impact research.

Our pioneering biomedical research complex near Washington, DC provides opportunities for researchers from diverse disciplines to pursue science that could have a transformative impact on society.

Highlights

- Internally funded, requiring no extramural grants
- No formal teaching duties
- Minimal administrative responsibilities
- Highly interactive and collaborative environment

Application Deadline
December 2, 2014, 2 p.m. ET

Learn More

JANELIA GRADUATE PROGRAMS

Apply to a fully funded, collaborative PhD program at Janelia Research Campus, a pioneering biomedical research complex near Washington, DC.

Gifted students with interests in basic neuroscience, imaging technology, evolutionary biology, computer science, physics, chemistry, and related fields are encouraged to apply to one of our graduate programs. Visit our website to find the program that's right for you.

Application Deadline
January 7, 2015 2:00 p.m. ET

Learn More
janelia.org/grad15

Highlights

- Full financial support
- Opportunity for meaningful, independent research
- Small interdisciplinary teams
- Unique and inspiring setting

JANELIA GRADUATE RESEARCH FELLOWSHIP
The fellowship program seeks to support exceptional students from the United States and abroad who are interested in spending time at Janelia to work on all or part of their thesis research.

Application Deadline
Next application season opens spring 2015

JANELIA UNDERGRADUATE PROGRAM

Get research experience at Janelia Research Campus, a pioneering biomedical research complex near Washington, DC.

This program is for well-prepared students with interests in basic neuroscience, imaging technology, evolutionary biology, computer science, physics, chemistry and related fields. Spend the summer doing hands-on research with world-class scientists, engineers, and mathematicians.

Application Deadline
January 15, 2015 2 p.m. ET

Learn More
janelia.org/ugrad15

Highlights

- 10-week summer research experience
- Competitive stipend
- Professional development opportunities
- On-campus housing and meals provided
- Social outings and events in the DC area

JANELIA SPRING CONFERENCES

Spend three days engaged in dialogue with leading scientists at our campus near Washington, DC.

Janelia conferences are small, highly specialized events designed to foster collaborative interactions and the exchange of exciting new ideas.

Highlights

- No registration fee
- Student and travel reimbursements available
- Convenient three-day format
- On-site accommodations at Janelia's innovative complex

Submit an abstract
janelia.org/confspring15

Application Deadline
November 27, 2014, 2:00 p.m. ET

March 15-16, 2015
Evolutionary Cell Biology
Organizers: Harriet Mello, Francis Broday, Nelson King, Daphne Mullins

March 22-26, 2015
Neural Circuitry and Cognition
Organizers: David Combs, Miriam Goodman

March 29-April 3, 2015
Multisensory Cognition in Neural and Cognitive Systems
Organizers: Robert Malenka, Scott Sternheim

April 19-22, 2015
Neural Systems: Cells, Connections, and Behavior
Organizers: Tim Clarkin, Kari Nandorin, Michael Reiss

April 26-29, 2015
Behavior and Cognition: Interdisciplinary
Organizers: David Asch, Jesse Goldberg, Karl Deisseroth

May 12-26, 2015
Computational Neuroscience from Multiple Perspectives
Organizers: Shoa Akmal, Gregory Dierker, Alexander Pouille, Maris Zariwala

May 21-June 3, 2015
The Long and Winding Road: Neuronal Trafficking in Physiology and Disease
Organizers: Kang Shen, Erik Holtzman, Subhojit Roy

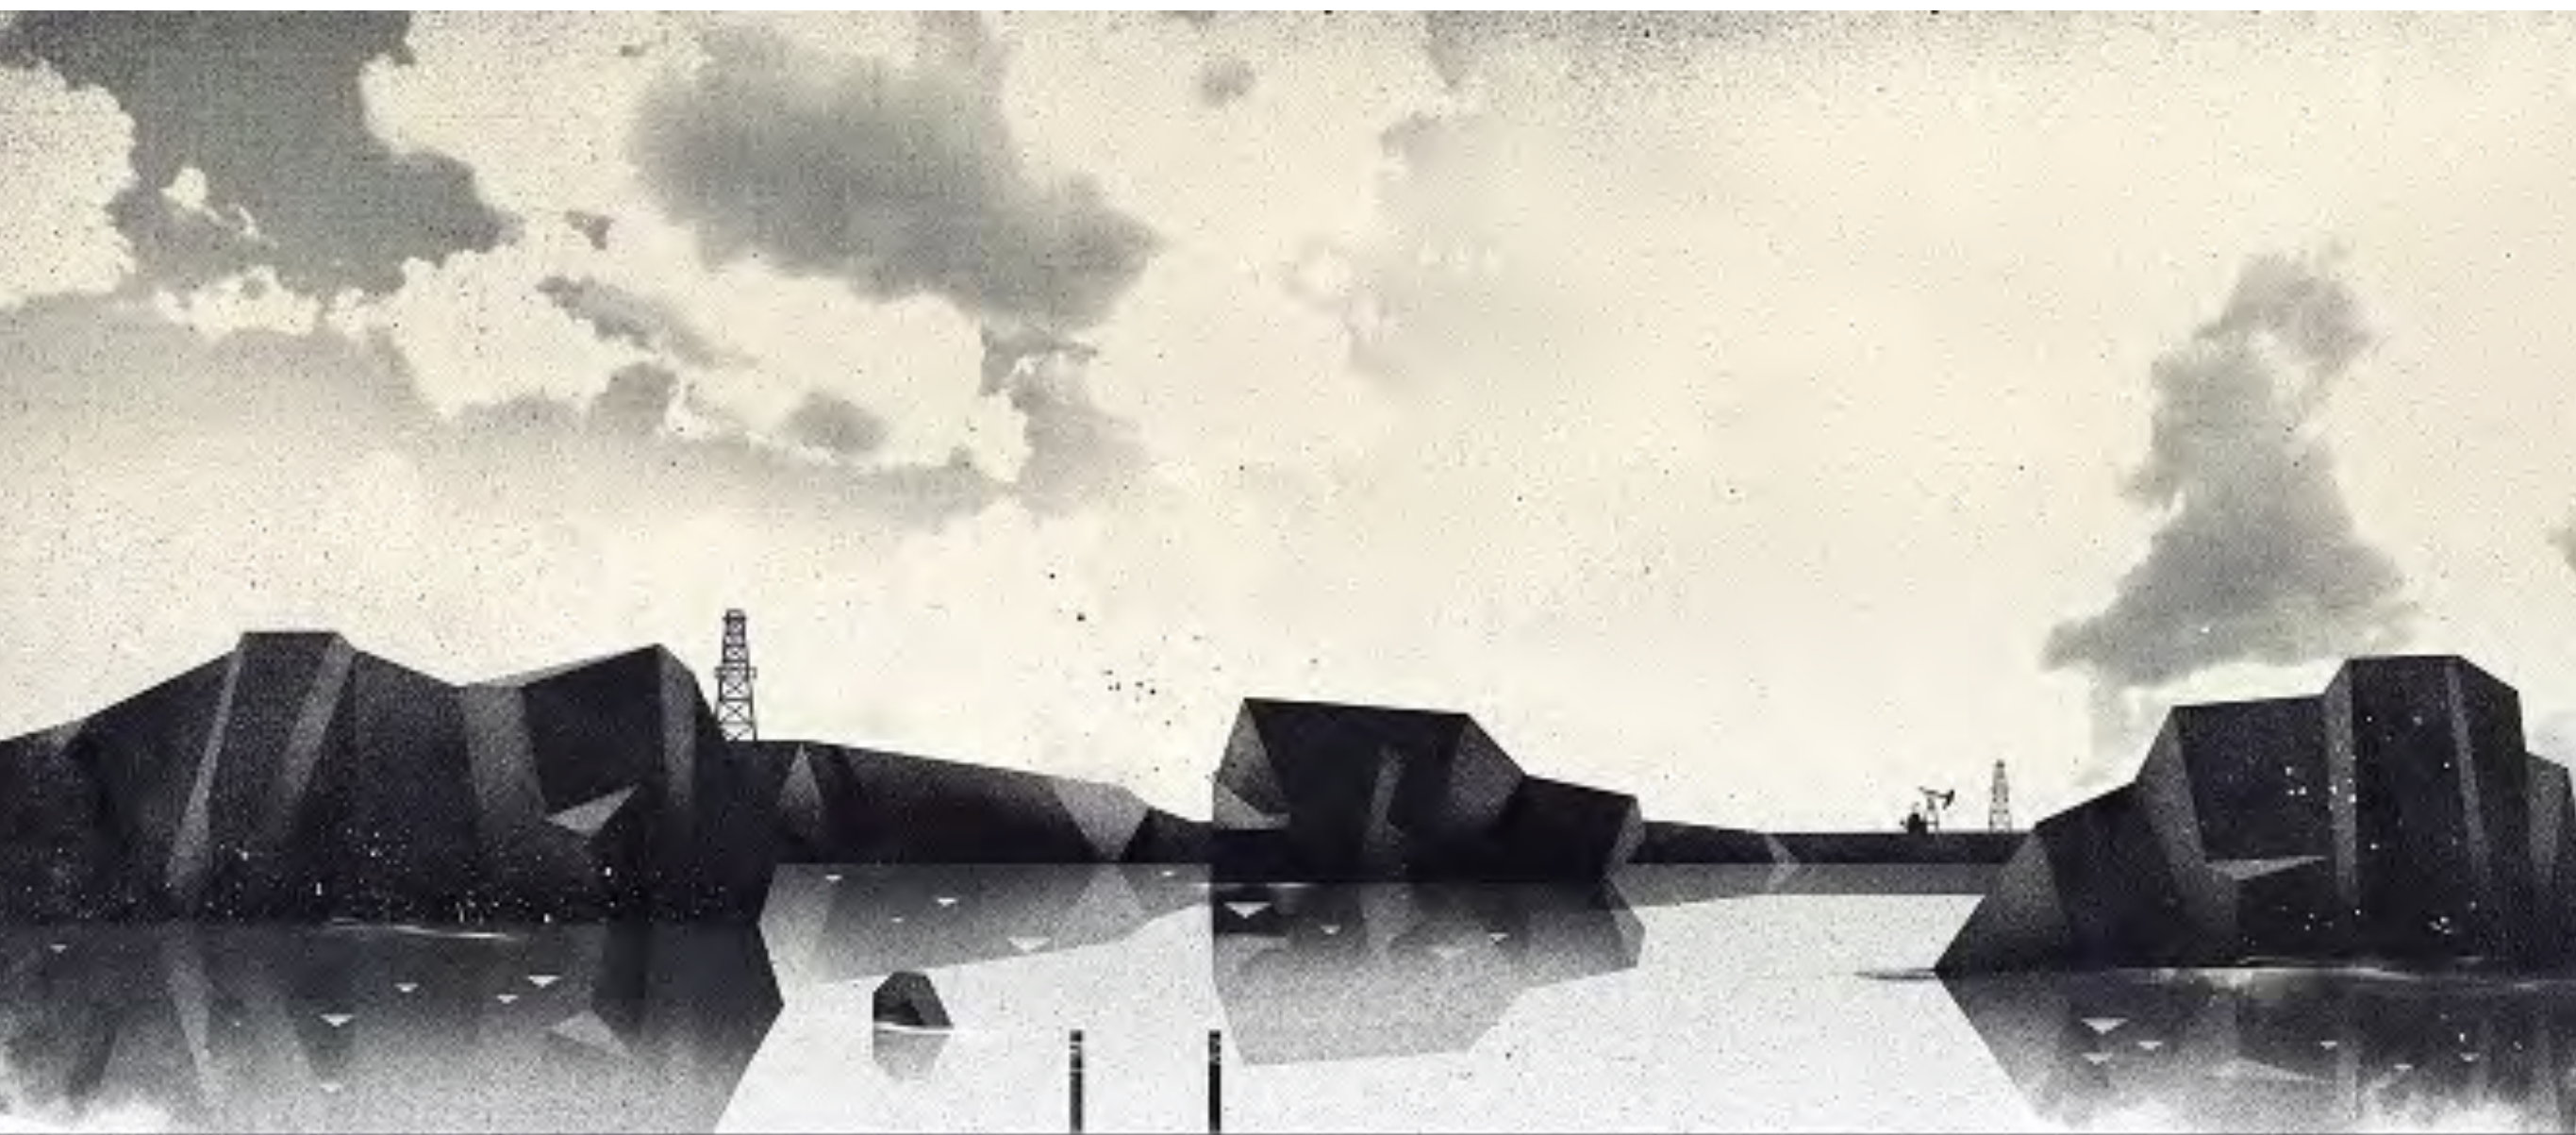

Personal Works

Hello Coffee Lover

Espresso

A shot of espresso

Espresso Macchiato

A small amount of milk or, sometimes, its foam is spooned onto the espresso

Espresso con Panna

Espresso with whipped cream on top

Cafe Latte

An espresso-based drink with a volume of steamed milk

Flat White

a coffee drink made of one-third espresso and two thirds steamed milk with little or no foam

Cafe Breve

Espresso with half-and-half

Cappuccino

Traditionally, one-third espresso, one-third steamed milk, and one-third microfoam

Caffé Mocha

Normally a latte blended with chocolate

Americano

Espresso and hot water

MY FAVORITE COFFEE BEANS

STARBUCKS
GUATEMALA ANTIGUA
GUATEMALA CASI CIELO

ROASTER JUAN'S
